Extract of the indexes from the Society's 2007 publication Kilmore - Those that came before. This book may be purchased from the Society, go to [Publications](#). Or a research enquiry may be submitted seeking an extract(s) from the book, go to [Research Service](#).

Name Index

Names have been generally listed as written, unless the relationship is obvious. That can mean the same person may appear under different entries, for example, Smith; Smith, Mr; Smith, J and Smith, John. It is for the reader to decide whether the entries relate to the same person or not. This index covers names in the text, photographs and footnotes.
